

REQUEST FOR COUNCIL ACTION

SUBJECT: Cal Ripken service in lieu of cost between resident fee and tournament fee.

SUMMARY: Cal Ripken Baseball would like to provide services in lieu of tournament fees and pay the resident league fee. They are proposing to prep all fields, pick up trash, keep restrooms clean, take out the garbage can and anything else that might need to be done.

FISCAL IMPACT: Getting the facility ready for a tournament and cleaning during a tournament would save the parks department 100+ man hours. Earlier this year they did a lot of work to open the facility for play without asking for compensation.

STAFF RECOMMENDATION:

Staff has concluded that the request is appropriate and will save the parks department time. Staff recommends approval of the Cal Ripken request for service in lieu of fees for their Pre All Star Tournament.

MOTION RECOMMENDED:

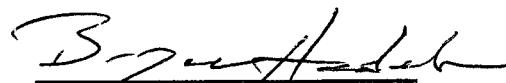

"I move to approve the service in lieu of fees for the Cal Ripken Baseball league and the Pre All Star Tournament for June 17-21st of 2014 and direct staff to complete their reservation."

Roll Call vote required

BACKGROUND DISCUSSION:

The Cal Ripken Baseball League has done multiple projects and work at the Ron Wood Baseball complex over the years. They have used fundraising dollars to provide scoreboards and worked with staff for installation.

They are looking to put in more than 100 man hours to get the facility ready and keep it up during the tournament then go back over all of it after the tournament to make sure it's prepped and clean for the next group.

This tournament will include eight teams each containing a majority of West Jordan youth.

West Jordan City Facility Use Policy: Page 16 Section H:

Service in Lieu of Fees. Reservation fees may be credited for civic volunteer labor hours as approved by the City Council. All fees other than reservation fees (i.e. overtime, additional services, and security, cleaning) will still be charged on a time and materials basis or as otherwise adopted in the Fee Schedule. Civic volunteer labor is coordinated through the Department. The service provided may include maintenance to City Parks and City Parks Amenities and all services must be approved in advance. Interest in providing service in lieu of fees should be expressed at the time the application is submitted to the Department. A separate contract and approval is required; no verbal agreements will be honored.

Estimated Tournament Cost: \$3000

Estimated Resident League Cost: \$450

DIFFERENCE:

In Lieu Value:

Estimated Total Value: 102 hours @ \$25/hr = \$2,550

Julie,

I am so behind. I would like to make sure that we can schedule the park the dates of June 17th-21st for our third annual Pre All-Star Tournament. This has been a great success in the past and has allowed us to raise funds to help keep the cost down for the youth or West Jordan to play baseball as well as continue to beautify the park that we play at.

I am asking that during this tournament that we would be able to use the Ron Wood Complex at the resident hourly rate. We will have 8 of your teams participating in the tournament. We would be willing to help keep the park ready to play by prepping the fields, making sure that all garbage and trash is picked up, keep the restrooms clean, taking out the garbage on Thursday night, and any other item that might need to be done during this time to allow us to use the resident rate. Please let me know if this is possible.

Thanks Julie for all you help.
